

# 300 HOUSEHOLDS IN CUGMAN BENEFIT FROM WATER SUPPLY PROJECT

*COWD and LGU turn over the completed well rehabilitation project with supply, installation and commissioning of submersible pump to the Zone 6 and Zone 9 neighborhood association of Barangay Cugman, this city. The event was graced by the presence of City Mayor Oscar S. Moreno, Councilors Suzette Magtajas-Daba and Alam Lim, the COWD Board and Management and Barangay Cugman Officials.*

*This project, with a total cost of PhP 320,562.00, will serve the members of 300 households in the area. It was completed on July 20, 2018, a brief time after the City Mayor endorsed the project to COWD to be financed through the 6 Million Fund yearly allocation.*
